

MHS The Addams Family Pit Orchestra

Congratulations to all who auditioned for pit orchestra this year, I am so proud of you all! This was the largest turnout we've ever had for pit auditions, and the level of preparation with such short notice was impressive.

For those of you that will look below and not find your name on the list, I am truly sorry. Finalizing this list is not something that I take lightly or do without a great deal of reflection and consideration. I hope you will consider getting involved in the musical in some other way like tech crew! (i.e. sound, lights, spotlight, stage crew, etc...) Being a part of the production is such a rewarding experience and unlike any other you will find at MHS or beyond! Having been involved in nearly every facet of theatre and almost every different level, I can tell you there is nothing that feels quite the same as putting on a show with your friends and classmates. (Also, the better you understand the theatre as a whole, the better prepared you will be for auditions next year!)

Orchestra members, please join the Pit Orchestra Remind so that you'll have access to the most up-to-date information about rehearsals, cancellations, etc... You can join using the following code via the app, or by texting @mhs-pit- to 81010. For many of you, your pit books are ready to be picked up, some will have to wait until Thursday to get them. (The woodwind books always take a bit longer for me to compile because I have to sort through approximately 40 different songs for 6 different instruments played by 12 different players across 2 different books.)

Instrument	Player
Flute	Danielle W.
Flute	Harper T.
Clarinet	Lauryn G.
Clarinet	Clara M.
Clarinet	Delilah S.
Clarinet	Emily S.
Clarinet/Bass Clarinet	Keirra W.
Bass Clarinet	Eden L.
